Subject: Proposed Monitoring Agreement

Dear Art,

Attached please find our written proposal to the GCGCD to provide financial support for the installation of two (2) monitoring wells to be sited southeast of UEC's Aquifer Exemption boundary. If you have any questions, please call or email whichever is more convenient.

Please note that a formal reply is needed by October 31st.

Best regards,

Harry L. Anthony, IV PE | Chief Operating Officer - Director

Uranium Energy Corp.
